During this meeting, updates were shared on the Consortium's Executive Board's efforts have led to an approved elevator speech and health agenda message aimed at engaging policy stakeholders and elected officials in the work of the Consortium. These efforts are aimed at increasing visibility and enhancing support for the ongoing health initiatives. When this is approved through communications, more updates will be shared. Additionally, the Board	

Children Issues Committee & Healthy Baby Taskforce Meeting Friday, November 15, 2024

	Friday, November 15, 2024	MIAMI
	continues conversations surrounding infectious diseases, optimal health, and addressing the factors that impact health. This remains a core focus for all Consortium committees. Further updates include the announcement of upcoming Consortium elections for the 2025-2026 term, with the nomination period set for November 12 th to November 19 th , 2024. The confirmation of nominees will take place from November 20 th to 27 th , and the elections will be conducted via survey from December 2 nd to December 9 th , 2024. Members are encouraged to participate in this process to ensure continuity in leadership and vision. Lastly, a reminder was shared the 5 th Annual Bounty of Health event will be hosted on Friday, December 13 th , 2024, from 10 a.m. to 2 p.m. at the West Perrine Health Center. This event is FREE to the community at a first come, first served basis. There will be a food grocery experience through Caring for Miami's mobile food market, health education and information, and resources available. It was also encouraged to promote this on your social media platforms and with your community partner networks and clients served.	
Meeting Logistic Updates	Candice Schottenloher shared the draft 2025 meeting schedule. The committee discussed to continue to host both virtual meetings and once a quarter in-person meetings at the United Way Miami. All meetings hosted virtually will be from 10 a.m. to 11:30 a.m. The meetings that were voted to be only	Schedule meetings with United Way Miami to confirm room reservations.
HC2 & Healthy Kids and Healthy Future Curriculum Follow-up Conversation	A brief recap was shared that during the October 2024 meeting the committee had two presentations to learn more about best practices and evidence-based curriculums related to children's health and wellness. Solina Rulfs of the UF/IFAS Extension Family Nutrition Program presented the <i>Healthy Kids, Healthy Future</i> curriculum presentation. During this presentation, a UF/IFAS Extension Family Nutrition Program overview was shared as well as what the <i>Family Nutrition Program (FNP)</i> is and how FNP supports policy, systems, and environmental (PSE) changes in Early Childcare. During this presentation, Solina Rulfs also shared on overview on the <i>Healthy Kids, Healthy Future</i> curriculum. A brief introduction was shared on the <i>Nutrition and Physical Activity Self-Assessment for Childcare</i> which is known as GoNAPSACC. The <i>Healthy Caregivers, Healthy Children</i> program presented by Dr. Ruby Natale and Joanne Palenzuela. The program focuses on reducing obesity in young children through role modeling and healthy habits in childcare centers. The committee discussed the importance of implementing the curriculum more broadly in childcare centers across Miami-Dade County. The committee members shared they found this insightful and will continue to learn more about both curriculums.	
Recognition of Improved	Candice Schottenloher provided a high-level update to the committee members on the progress of the work plan. The Children Issues Committee work plan has a total of forty-eight (48) committee activities.	

Children Issues Committee & Healthy Baby Taskforce Meeting Friday, November 15, 2024

work Plan committee activities have been completed and/or are on track to being met. The committee took a moment to celebrate this progress and all of the hard work the committee has been able to do since the inception of the workplan. There are three (3) remaining committee activities that are not complete and are behind that committee measures in Need of Improvement There are three (3) remaining committee activities that are not complete and are behind that committee measures in Need of Improvement By September 30, 2024, the Children Issues Committee will increase from 0 to 2 new Walking School Bus sites. Children Issues Committee & Healthy Baby Taskforce Meeting Friday, November 15, 2024

no cost to a cost for services.

- Early Learning Coalition in Miami-Dade/Monroe: Isabel Afanador share about what the ELC is and how they are facing a waitlist now with more than 4,900 children on the list who are waiting for services and childcare.
- Healthy Start Coalition of Miami-Dade: Heather Baker announced that the funding for the Moving Beyond Depression program has been renewed by the Children's Trust for the fiscal year 2024-2025. Additionally, funding from Sunshine Health for the purchase of portable cribs and car seats for families in the Healthy Start Home Visitation Program was renewed as well.
- Colgate Bright Smiles, Bright Futures: Cristiane Rocha shared that Colgate is offering free dental screenings and oral health education for children up to 12 years old. Their mobile unit is available for events, and they are currently accepting bookings for 2025.
- ConnectFamilias: Juliet San Jan provided updates on behalf of her organization. She shared they provide case management for those 0 to 17 years old and work with UM to provide mental health services and UM Mailman Center for behavioral therapy for children 0 to 8 years old. They also have a partnership with CABA helping children who have been abused, neglected and/or abandoned to provide legal service for them. Additionally, they also have a partnership with The Children's Trust to help process visas for no charge. Lastly, they continue to host community baby showers.
- **DCF:** Jeff Hurst provided an update that is a Community Liaison connecting parents and kids to licensed centers. He also shared he is a part of Together for Children and continues to share resources to connect families to services.
- **Kidokinetics:** Kristin Wallin shared they work with children from 18 months to 10 years old. They attend sites where children are at and aim to provide a positive experience with a lot of versality and variety of activities related to physical fitness activity.
- Sunshine Health: Suecia Mendez provided an update the Welcome Room is available to partners for hosting different meetings in the Cutler Bay area. She also shared on the third Thursday of the month they do a Farm Share distribution and a diaper distribution. She also shared there is an opportunity to provide health resources at these events.
- United Way Miami: Khamai Simpson and Ahbria Marshall both introduced themselves as the first
 time attending this committee meeting. They both provided updates on program initiatives which
 included they are looking for virtual programming to keep members engaged and hosting different
 education sessions for their volunteers. They are working to provide more education and trainings.
 Lastly, they extended an invite to the members they have single care cards available to receive
 discounts on medical care needs such as co-pays, prescriptions, and more.
- **UF:** Emily Jones provided an update on the Books and Cooks program. She shared this is 7-week program for VPK aged children to 5th grade. This program will share new recipes, understanding the nutrition and how to cook different recipes, and will also receive a Hello Fresh meal and other
